

Writing Certificate: Combined Project Agreement

Students are allowed to combine their Writing Capstone project with an honors thesis or other senior project as long as combining is allowed by the home department, both mentors agree, and the proposed combination is approved by the Associate Director of the Writing Certificate Program.

Students doing a combined project may enroll in WRIT:4000 for 1 s.h. *only*. They will work with their primary mentor on the content of their project, while their writing mentor will provide feedback on language, style, structure, etc. Students must meet all deadlines outlined in the Capstone Mentor Agreement Sheet to receive credit for WRIT:4000.

The following Combined Project Agreement Form must be signed by the student, both faculty mentors, and the student's major advisor prior to the student enrolling in WRIT:4000. **Mentors:** please review the student's project proposal with them *before* signing below. Contact Danny Khalastchi at (319) 384-1328 with any questions. **Students:** please return this completed form to the Magid Center along with the completed Mentor Agreement Sheet and Project Proposal by 4:30 pm on Thursday of the first week of classes.
