

Writing Capstone Midterm Progress Report

This form must be completed and submitted to the Magid Center along with the most current working draft of your project by 4:30 pm Friday of week seven of the semester (or week six of the summer session).

- Please confidentially discard this draft once it has been reviewed.
- Please save this draft for me to pick up. I understand the draft will be confidentially discarded if I don't pick it up at the Magid Center reception desk by the end of finals week.

Students: Please respond to each item, then sign below. Attach additional pages as needed.

1. Projects evolve as we work on them - how do you see/define/explain your project at this point in the semester? How (if at all) has it changed from your initial proposal?

2. What do you plan to do to see your Capstone project through to completion between now and the end of the semester? (specific dates and personal deadlines encouraged)

3. How can the Magid Center or your project mentor(s) help you meet your goals related to your Capstone project?

4. Please write any additional comments, questions, or concerns you have about your experience and/or working with your mentor(s).

Mentors: Please write a sentence or two about how you feel the project is progressing, then sign below.
